

# Meet Alesandro and Adriana from Italy

They are Tessa's and Patrick's new friends. They will help them with their English. Alesandro and Adriana will teach Tessa and Patrick some new Italian words.

Alesandro has a pet rabbit names Piccolo, which means "little" in Italian. He loves animals and wants to be a veterinarian some day.

Do you know a saint who loved animals as well ?

Alesandro wears his medal. It's St. Francis of Assisi.

Adriana loves ballet and studies a very difficult technique taught in Italy. It's called *Cecchetti*.

Students must pass examinations to progress to the next level.

Adriana's favorite saint is St. Angela Merici. She followed St. Ursula and taught young girls to read.
